STUDENT ALLOWANCES

The Supreme Senate and the Convention Committee extends to voting student delegates in attendance at the convention, who arrive before 1 p.m. on Thursday, July 30, 2009, attend each required meeting and/or activity, and remain in attendance through the close of business on Saturday, August 1, 2009 the following allowances:

The most economical round-trip airfare available, from his/her home or law school to the Arizona Biltmore Resort & Spa in Phoenix, Arizona. Student delegates must reserve their own transportation, however, reimbursement is available. Reimbursement will be the lesser of: actual mileage used at 25 cents per mile, or actual airfare, or \$250 (two hundred fifty dollars).²

If the student delegate is to be anyone other than the Dean of the Senate, he or she must complete the "Delegate Substitution Form" enclosed with this Syllabus and send it to the International Office immediately.

2. HOTEL ROOM EXPENSE

Each student delegate will share a double room with another assigned delegate at the expense of the Fraternity, or will otherwise be personally responsible for the additional half-room expense (in the case of a guest or spouse, or additional attendees from your senate). The Fraternity will pay all student delegate half-room expenses for only the nights of July 30, 31 and August 1, 2009 directly to the Hotel for those students who attend **every** required meeting and event. All student delegates will be billed separately by the Hotel for all phone calls and miscellaneous charges incurred by them and must present a credit card to the hotel upon check-in for these incidentals. Voting student delegates who fail to attend one or more meetings or events will have their hotel expense paid but will have his or her transportation reimbursement reduced on a pro-rated basis.

¹ Pursuant to our Constitution, the members of the International Senate are the duly elected members of the Supreme Senate, Deans of the Student Senates, Deans of the Alumni Senates, and Past Chancellors. No other persons are permitted to vote on matters before the International Senate without express written documentation.

² Reimbursement will be made within 30 days of the close of the convention, providing that the delegate has completed the proper Travel Reimbursement Form and attached receipts as necessary. Delegates may apply to the Travel Review Committee, no later than July 1, 2009 for an increase in the reimbursement structure, showing due diligence in the search for airfare.

Those delegates who bring a spouse/guest to create the circumstance in which they will be responsible for the additional half-room charge shall present their credit card (or pay cash) to the Fraternity upon check-in and registration and said room charges and tax for the entire stay will be immediately billed to the presented card in the amount of \$180.

2. **Alumni Senate and Alumni Dean**: If you are an Alumni, you must be the elected or a properly appointed Substitute Dean of the Alumni Senate of which you are a member, but only provided further that the Master of Rolls presents to the Credentials Committee evidence that the said Alumni Senate is in good standing under the Constitution.⁵

³ Any registration paid after May 15th is \$319. Any fee not received by senate or school on behalf of a student delegate must be paid by that delegate upon arrival by credit card and it will be the student delegate's responsibility to be reimbursed from senate or school.

⁴ A proper Substitute Dean, per the Constitution, must have written authorization from the Senate Dean. Each Student Dean, whether elected or the appointed substitute, must have at least one semester/quarter remaining to complete his/her degree. Therefore, any member who has just graduated cannot represent a Student Senate.

⁵ Namely, that the Senate has at least ten or more living members who are considered members in good standing, i.e., Life Members, Members Emeritus and/or regular members who have paid their current annual International dues.

3. Standing of Senate: In the event that you have any questions with regard to the standing of your Senate or voting ability of your delegate, you should verify this well in advance with the International Office (Telephone 1-800-783-2600).
4. Substitute Delegate: To serve as a Substitute Delegate, a person must be a member of the Fraternity and a member of the Senate that he or she is to represent. 7. Attendance Identification: There shall be badges issued by the Convention Committee, one each for the following categories: (a) Student/Alumni—Voting; (b) Student/Alumni—Non-Voting; (c) Past Chancellors; (d) Supreme Senate members; and (d) Guests. Any person with a Guest badge may not be admitted to the International Senate during business. ***Each Student delegate will have his or her attendance at each event verified. Perfect attendance will determine the reimbursement for travel expenses. For each unexcused absence, payment may be prorated.***
8. Delegate Participation: Although all delegates are strongly encouraged to be in attendance for all convention sessions; those Deans, Substitutes, Supreme Senate officers, and Past Chancellors who have been certified as delegates pursuant to the paragraphs above, and who are unable to attend all sessions or activities thereof for extraordinary reasons, are still entitled to participate in the business sessions of the convention. However, all Student Delegates must remain to the close of business on Saturday, August 1st, to qualify for payment of hotel expenses and full reimbursement of travel.
9. Voting Procedure: All votes shall be cast only by qualified delegates personally in attendance. Therefore, no qualified delegate who is unable to attend any voting sessions of the convention shall be able to vote by proxy. Student voting delegates are again reminded that they must remain until the close of business on Saturday, August 1, 2009, for any allowances.
