

Alumni Dues Invoice: Mail-In

Since the early days of your Fraternity, Delta Theta Phi has stood for the highest goals in the legal profession. Among the benefits of membership are your lifelong friendships and professional affiliations, our desire to create an honest and caring profession, and the education of those who will follow in our footsteps.

As we move through this biennium, we are surrounded by new beginnings and new hopes for the Fraternity's future. Your financial support enables us to provide programs of interest to our student and alumni members and bring Delta Theta Phi to the next generation of lawyers.

One of the goals of the current Supreme Senate is to strive to be at the forefront of technology, in order to serve you more efficiently and more effectively. To that end, we have started to redesign and rebuild our website, www.deltathetaphi.org. We still have a long way to go, including an completing the online marketplace and creating an online membership directory to facilitate contact with your Brothers and Sisters for fraternal and professional referrals. In order to complete this project and keep it fresh and new with information for you, we need your help! Paying your alumni dues will help us meet our day to day needs and reach this important technological goal.

Contributions to The Delta Theta Phi Law Fraternity may be deductible as a business expense for federal income tax purposes to the extent permissible by law. Thank you in advance for your important contribution to Delta Theta Phi.
